

**City of Memphis – City Wide Emergency Mass Notification (Rebid)
RFP # SAIC CoM 2015 RG R129144**

Answers to Questions

	<u>RFQ Section</u>	Question	Response
1.	General question	As this is a rebid for the City’s mass notification project, what were the results of the initial proposal process? Was a vendor awarded? If so, which vendor?	An award was not made.
2.	RFP Sec. 3	Please clarify how the proposal section titles should be labeled. For example, should the Cover Letter section be labeled “Section 1 – Cover Letter” or “3.1 Cover Letter”?	Responses shall follow the table outlined in Section 3 – Proposal Response (Section 1 – Section 7). For example, the Cover Letter should be labeled Section 1.
3.	Exhibit 5 – Tech. Requirements	In regard to system requirements numbers 1 and 3, does the City expect the vendor to provide this equipment or simply integrate with existing equipment? If equipment must be provided, please specify the make, model, and software specifications desired by the City.	Vendor should provide equipment as part of their solution.
