A resolution urging Tennessee Congressional leaders to improve the equity and effectiveness in the Community Development Block Grant Award Allocation formula to restore the needed funds to better support the City of Memphis

WHEREAS, established in 1974, the Community Development Block Grant (CDBG) program is one of the longest continuously run programs at the U.S. Department of Housing and Urban Development (HUD), which provides communities with annual grants on a formula basis to local government and States to address unique community development needs; and

WHEREAS, these funds can be utilized for a wide range of activities including economic development, housing rehabilitation, water and sewer projects and projects that improve the health and safety of the awarded community; and

WHEREAS, overtime HUD funding has decreased by 80 percent since its peak of $15 billion in 1979 to currently being $3 billion and has remained there since 1995 with five to ten communities become CDBG grantees each year which strains the existing budget; and

WHEREAS, due to detrimental budget cuts, new grantees, inflation, and inequitable formulas based on outdated variables, the City of Memphis receives limited amount of funds that are unable to effectively address its community development and affordable housing challenges; and

WHEREAS, the City of Memphis CDBG award allocation has decreased 37 percent from approximately $13.1 million to $6.1 million; and

WHEREAS, by correcting the allocation process to adopt a single and updated formula that most accurately targets awards to need, the Community Development Block Grant will better address the overall needs of the awarded communities; and

WHEREAS, the Memphis City Council urges the Congress to adopt a new and updated formula to better target funds to high-need communities and low-income people and to increase funding to the Community Development Block Grant.

NOW, THEREFORE BE IT RESOLVED that the Memphis City Council urges Tennessee Congressional leaders to improve the equity and effectiveness in the Community Development Block Grant Award Allocation to restore the needed funds to support the City of Memphis.

A resolution encouraging Governor Bill Lee to suspend eviction proceedings for those who have been hospitalized and or recovering due to the COVID-19 virus for the duration of the pandemic

WHEREAS, on March 17, 2020, Mayor Jim Strickland issued a declaration of Emergency for the City of Memphis following Governor Bill Lee’s March 12, 2020 issuance of Executive Order No. 14 declaring a state of emergency in Tennessee to facilitate the treatment of COVID-19; and

WHEREAS, in addition to the immediate health implications, the COVID-19 outbreak will have long-lasting economic and social impacts for our citizens based on direct and indirect effects of the illness, the preventive behaviors of people and the policies governments enacted to curtail the transmission of the coronavirus; and

WHEREAS, in the state of Tennessee there are 126,393 confirmed cases and 1,289 deaths from the COVID-19 virus and as the pandemic continues to impact public health, it has stunted economic growth with unprecedented business closures and job losses; and

WHEREAS, many citizens are hospitalized and or recovering from COVID-19, or are giving care to children or parents hospitalized and or recovering from COVID-19 and this continues to cause a negative financial impact on many today; and

WHEREAS, consequently there are currently over 9,000 eviction cases pending in the Shelby County courts and those numbers are growing daily; and

WHEREAS, the Memphis City Council is aware of the hardships that this pandemic has placed on many families throughout the entire City of Memphis and must provide relief for those impacted mostly; and

WHEREAS, on March 13, 2020, in response to the COVID-19 pandemic, the Chief Justice of the Tennessee Supreme Court declared a state of emergency for the Judicial Branch of Tennessee government to suspend in-person court proceedings, which resumed on June 1, 2020; subsequently many citizens are being faced with potential homelessness; and

WHEREAS, is the responsibility of the Memphis City Council to provide compassion and relief to citizens during these devastating times and to ensure the health, welfare, and safety of all Memphians.

NOW, THERFORE, BE IT RESOLVED that the Memphis City Council encourages Governor Bill Lee to suspend eviction proceedings for those who are hospitalized and or recovering under doctor’s care from COVID19, or are giving care to children or parents hospitalized and or recovering under doctor’s care from COVID-19 virus for the duration of the COVID-19 pandemic.

A Resolution urging State Legislators to revoke and ban business licenses for payday lenders

WHEREAS, according to Tenn. Code Ann. 45-17-101 et seq., Deferred Presentment Services providers, also known as payday lenders, issue short-term loans and as a result, neighborhoods across the City of Memphis are experiencing resurgence of predatory payday lender operations; and

WHEREAS, payday loan businesses in Tennessee are required to obtain a license at the Department of Financial Institutions and are then authorized to provide a maximum loan amount of $500 and the maximum fee amount on a payday loan cannot exceed 15% of the face amount of the check, or internet payday loan, with an annual percentage rate of up to 460%; and

WHEREAS, payday loans cost most borrowers triple-digit interest rates, trap borrowers in repeat loans, foster coercive debt collection practices, and endanger bank account ownership for families that live on the financial edge; and

WHEREAS, loopholes are exploited and billions of dollars in usurious interest flows out of communities; and

WHEREAS, high cost payday lenders are proliferating in low-to-moderate income areas where this form of lending is authorized; subsequently payday lenders continue to expand their storefronts which makes it almost impossible to curb economic blight; and

WHEREAS, key demographics in which the payday industry uses to determine business locations, including income, homeownership, poverty, unemployment rate, age, education, share of households with children and gender and data has led to African-American neighborhoods facing three (3) times as many payday lending stores per capita as white neighborhoods; and

NOW, THEREFORE, BE IT RESOLVED that the Memphis City Council has a right and a responsibility to protect the economic health, welfare and safety of all citizens of Memphis and urges state legislators to revoke and ban businesses licenses for all pay day lenders.

BE IT FURTHER RESOLVED that the Memphis City Council urges state legislators to propose legislation that will cease predatory payday lending and improve the financial lives of families within the City of Memphis and throughout the entire state of Tennessee.

These monthly transfers shall be recorded on the record-keeping books of the City as deposited in a WIFIA Bond Debt Service Account, as such term is defined and as further set forth in the WIFIA Loan Agreement.

(a) All or any portion of the Series 2020A Bonds shall be subject to redemption prior to maturity at the option of the City at such times and at such redemption prices, or shall not be subject to redemption prior to maturity at the option of the City, as may be determined by the Chief Financial Officer in compliance with terms of the WIFIA Loan Agreement. Any Series 2020A Bonds (or any portion of the principal amount thereof in installments of $1,000,000 minimum) shall be called for redemption, notice of the redemption thereof, specifying the date, number and maturity of such Series 2020A Bond, the date and place or places fixed for its redemption, the premium, if any, payable upon such redemption; provided, however, that any notice of redemption may state that it is conditioned upon the receipt by the Paying and Registration Agent of sufficient moneys to pay the redemption price, plus interest accrued and unpaid to the redemption date, or upon satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such redemption price and accrued interest if any such condition so specified is not satisfied or if any other such event occurs. Notice of such rescission shall be given by the City to the WIFIA Lender as promptly as practicable upon the failure of such condition or the occurrence of such other event and shall be given in the same manner as the notice of redemption was given.

(b) If notice of the redemption of any Series 2020A Bond shall have been given as aforesaid, and payment of the principal amount of such Series 2020A Bond (or the portion of the principal amount thereof to be redeemed) and of the accrued interest and premium, if any, payable upon such redemption shall have been duly made or provided for, interest on such Series 2020A Bond shall cease to accrue from and after the date so specified for redemption thereof.

SECTION 4. Appointment of Paying and Registration Agent. Regions Bank, Nashville, Tennessee is hereby appointed and will serve as initial Paying and Registration Agent for the Series 2020A Bonds.
SECTION 5. Execution and Authentication of Series 2020A Bonds; Form of Series 2020A Bonds.

In case any one or more of the officers who shall have signed or sealed any of the Series 2020A Bonds shall cease to be such officer before the Series 2020A Bonds so signed and sealed shall have been delivered by the City, such Series 2020A Bonds shall nevertheless, be delivered as herein provided, and may be issued as if the persons who signed or sealed such Series 2020A Bonds had not ceased to hold such offices. Any Series 2020A Bond may be signed and sealed on behalf of the City by such persons as at the time of the execution of such Series 2020A Bonds shall be duly authorized or hold the proper office in the City, although at the date borne by the Series 2020A Bonds such persons may not have been so authorized or have held such office.

(b) The Series 2020A Bonds shall be in substantially the form set forth in Exhibit A to the WIFIA Loan Agreement (the form of which is set forth as Exhibit B and is hereby approved as to form) and shall recite that they are issued pursuant to Chapter 21 of Title 9 of the Tennessee Code Annotated, as amended. (a) There is hereby created a special account of the City to be known as the "WIFIA Bond Debt Service Account" which shall be held in trust and administered by the City for purposes of making monthly transfers of accrued interest and principal with respect to payments due under the WIFIA Bond, as may be further set forth in the WIFIA Loan Agreement.

(b) Proceeds of the sale of the Series 2020A Bonds shall be applied as follows:
(i) Accrued interest received on the Series 2020A Bonds, if any, from their date to the date of delivery of and payment for the Series 2020A Bonds shall be deposited into the Interest Sub-account of the Bond Account in the Revenue Fund to be applied to the payment of interest on the Series 2020A Bonds on the initial interest payment date.

(ii) If the amount required to be credited to the Bond Reserve Account in the Revenue Fund shall not then be on deposit therein, an amount shall be deposited in the Revenue Fund for credit to the Bond Reserve Account therein such that there shall be credited thereto an amount equal to the maximum Debt Service Requirement on the Bonds, including the Series 2020A Bonds.

(iii) The Chief Financial Officer shall be authorized to amend the budget of the Sewer Collection and Treatment Fund to account for any changes made in compliance with this Section 6 and Section 2.

(iv) The balance of the proceeds shall be deposited in the Series 2020A Bond Proceeds Special Account created by subsection (c) of this Section 6 to be held by the City and applied to the payment of (i) costs of improvements, additions and extensions to the System; and (ii) fees and expenses in connection with the sale and issuance of the Series 2020A Bonds.

(c) There is hereby created a special account of the City to be known as the “Series 2020A Bond Proceeds Special Account” (the “Bond Proceeds Special Account”), which shall be held in trust and administered by the City.

(d) The Bond Proceeds Special Account shall be drawn upon for the sole purpose of paying (i) costs of improvements, additions and extensions to the System and (ii) fees and expenses in connection with the sale and issuance of the Series 2020A Bonds, including but not limited to the reimbursement of such costs, fees and expenses authorized by subsection (b)(iv) of this Section 6 to the extent not applied pursuant to said subsection.

SECTION 8. CUSIP Identification Numbers. CUSIP identification numbers shall be placed on the Series 2020A Bonds, but neither the failure to place any such number on any Series 2020A Bond nor any inaccuracy, error or omission with respect thereto shall constitute cause for failure or refusal by the purchasers to accept delivery of and pay for the Series 2020A Bonds. No such CUSIP identification number shall constitute a part of the contract evidenced by the particular Series 2020A Bond upon which it is imprinted and no liability shall attach to the City or any officer or agent thereof, including any Paying and Registration Agent for the Series 2020A Bonds, by reason of such numbers or any use made thereof, including any use thereof made by the City, any such officer or any such agent, or by reason of any inaccuracy, error or omission with respect thereto or in such use.

(a) The Series 2020A Bonds shall be sold at a negotiated, private placement sale on a date to be selected by the Chief Financial Officer and at a price of not less than 98% of the principal amount of the Series 2020A Bonds. The WIFIA Loan Agreement between the City and the WIFIA Lender substantially in the form attached hereto as Exhibit B, and the WIFIA Term Sheet substantially in the form attached hereto as Exhibit C, are each hereby authorized to be executed and delivered by the Mayor, upon consultation with the Chief Financial Officer. The form of WIFIA Loan Agreement as executed and delivered and the WIFIA Term Sheet as proposed and accepted, may include such changes as shall be approved by such officers, upon the advice of counsel (including the Chief Legal Officer/City Attorney, bond counsel and co-disclosure counsel), which approval shall be conclusively evidenced by the execution thereof.

(b) The City covenants with the holders from time to time of the Series 2020A Bonds that it will, and hereby authorizes the appropriate officers and employees of the City to take, all action necessary or as set forth in the WIFIA Loan Agreement. Notwithstanding any other provision of this Series Resolution, failure of the City to provide certain of the continuing disclosures set forth in the WIFIA Loan Agreement shall not constitute a default under this Series Resolution, the requirements for such continuing disclosure may be enforced only as provided in the WIFIA Loan Agreement and such continuing disclosure obligations shall not be governed by Securities Exchange Commission Rule 15c-2(12) or related regulations to the extent allowable under law.
SECTION 10. Additional Findings and Determinations: Authority for This Series Resolution; Series 2020A Bonds are “Bonds” under the Existing 1981 Master Resolution; Further Authorizations.

(a) The City hereby finds and determines that (a) the Series 2020A Bonds are issued under the authorization of Section 3.2 of the Existing 1981 Master Resolution; (b) no default exists in the payment of the principal of or interest and premium (if any) on any Bond, including the Outstanding Bonds, and (c) all provisions and conditions of the Existing 1981 Master Resolution required to the date of adoption of this Series Resolution have been complied with in the issuance under the Existing 1981 Master Resolution of the Series 2020A Bonds.

(b) This Series Resolution (i) supplements the Existing 1981 Master Resolution; (ii) is hereby found, determined and declared to constitute and to be a “Series Resolution” within the meaning of the quoted words as defined and used in the Existing 1981 Master Resolution; and (iii) is adopted pursuant to and under the authority of the Existing 1981 Master Resolution.

(c) The Series 2020A Bonds are hereby found, determined and declared to be issued under the Existing 1981 Master Resolution and to constitute and be “Bonds” within the meaning of the quoted words as defined and used in the Existing 1981 Master Resolution. As more fully set forth in the Existing 1981 Master Resolution, the Series 2020A Bonds: (i) shall be entitled to the benefits, security and protection of the Existing 1981 Master Resolution, equally and ratably with one another, with the Outstanding Bonds and with any other Bonds hereafter issued thereunder; (ii) shall be payable as provided in the Existing 1981 Master Resolution subject to the prior payment of the Operating Expenses; and (iii) shall be equally and ratably secured under the Existing 1981 Master Resolution with one another, with the Outstanding Bonds and with all Bonds hereafter issued thereunder, without priority by reason of series, number, date of adoption of the Series Resolution providing for the issuance thereof, date of Bonds, date of sale, date of execution, date of issuance, date of delivery or otherwise, by the liens, pledges, charges and assignments created by the Existing 1981 Master Resolution.

(d) The appropriate officers and employees of the City are hereby authorized to take all such actions and execute such documents (upon advice of counsel, including the Chief Legal Officer/City Attorney, bond counsel and co-disclosure counsel) and the City’s co-financial advisors, as shall be necessary to effect the delivery of and payment for the Series 2020A Bonds and as may be reasonably required to carry out, give effect to and consummate the transactions contemplated hereby, including the purchase, if deemed to the City’s financial advantage, of a bond insurance policy guaranteeing payment of principal of and interest on the Series 2020A Bonds and to provide for the payment of the premium cost thereof.

SECTION 11. Reimbursement. It is reasonably expected that moneys advanced by the City prior to the issuance of the Series 2020A Bonds from the City’s Sewer Collection and Treatment Fund to finance improvements to the System will be reimbursed from proceeds of the Series 2020A Bonds as determined by the Chief Financial Officer of the City.

SECTION 12. Economic Life. The reasonably expected remaining economic life of the improvements, additions and extensions to the System to be financed and refinanced from the
proceeds of the Series 2020A Bonds is greater than the term of the Series 2020A Bonds financing said projects.

SECTION 13. Series 2020A Bondholder Acknowledgement and Consent. Contemporaneously with the adoption of this Series Resolution, the City is adopting the New Resolution, a form of which is attached as Exhibit A. It is the intention of the City that the New Resolution shall amend, restate and replace in its entirety the existing Existing 1981 Master Resolution. The New Resolution shall become effective at such time as the Bonds outstanding under the Existing 1981 Master Resolution are no longer outstanding under the Existing 1981 Master Resolution, or the Bondholders of not less than sixty-six and two-thirds percent (66-2/3rds %) in principal amount of the aggregate amount of Bonds then outstanding consent to such New Resolution. As a condition of the City's execution of the WIFIA Loan Agreement and its sale of the WIFIA Bond to the WIFIA Lender, as Bondholder of the Series 2020A Bonds, the City shall have obtained the written consent of the WIFIA Lender to the adoption of the New Resolution as an amendment, restatement and replacement of the Existing 1981 Master Resolution upon the Effective Date.

SECTION 14. Effect of Section Headings. The heading or titles of the several sections hereof shall be solely for convenience of reference and shall not affect the meaning, construction, interpretation or effect of this Series Resolution.

SECTION 15. Repeal of Inconsistent Resolutions. Any resolution of the City, or any portion thereof, in conflict or inconsistent with this Series Resolution is hereby repealed to the extent of such conflict or inconsistency.

SECTION 16. Series Resolution as a Contract. The provisions of this Series Resolution shall constitute a contract between the City and the WIFIA Lender.

SECTION 17. Effective Date. This Series Resolution shall not become effective unless and until the WIFIA Initial Resolution shall have been adopted and published, as set forth in Tennessee Code Annotated, Section 9-21-304.

A Resolution approving a Ground Lease for 590 Washington Avenue, also known as the former Washington Avenue Vehicle Inspection Station, Parcel ID #023003 00041 Memphis, Tennessee 38103

Whereas the Hospitality Hub (the “Hub”), a non-profit organization, desires to enter into a ground lease with the City of Memphis, for the purpose of building and operating a homeless shelter for the benefit of the citizens of the community;

Whereas the Hub’s goal is to provide relief from homelessness while working with families to ensure housing and financial stability. They also offer Hub Haven, a three-month program which includes wrap around case management, financial literacy workshops, and financial assistance for qualified applicants. Hub Haven seeks to reduce the risk of reentry into homelessness and circumvent the associated traumas within the family unit;

Whereas the City of Memphis owns real property located at 590 Washington Avenue and is further identified by Shelby County Tax Assessor as Parcels 023003 00041 containing 2.251 ac, more or less (the “Property”);

Whereas on May 07, 2019, the Memphis City Council and the Shelby County Commission approved a joint Resolution for the Hub to open and operate a Women’s shelter at the Property. The approved Resolution listed stipulations and conditions and contemplated a nominal lease of the Property. However, through their architects and engineers, the Hub has concluded that they can build a more efficient facility with lower annual operating and maintenance cost for roughly the same cost of renovating the existing building. Therefore, the Hub is seeking Council’s approval to demolish the existing building and enter into a long-term ground lease pursuant to Code of Ordinance 2-291 (10), Amendment to Ordinance 5346 where it states in part “any lease or license agreement 2 years or more shall be considered a conveyance and shall be submitted to City Council for approval”; and

Whereas the Hospitality Hub has raised more than $6.25M towards the construction of the new state of the art facility which would be the regions’ first barrier-free emergency shelter for women offering immediate stability and a space to heal for its guest. The facility would include 32 beds, 24/7 case management and other amenities including a gardening area and energy saving solar panels all working together to provide the necessary baseline from which to rebuild a stable life. If approved, the Ground Lease would include and the Hub must commit to the following terms to ensure that the redevelopment and preservation of the Property is
completed in a timely manner: 1) show substantial construction progress in the rebuilding of 590 Washington Avenue within twelve months of the signed ground lease; 2) open for community outreach within three months following the substantial completion of construction; 3) if the Hub fails to redevelop this Property within 24 months, the Property will revert back to the City of Memphis with no recourse by the Hub; and 4) the Hub cannot assign its rights under the Ground Lease without the express written consent of the City of Memphis.

Now therefore, be it resolved by the Council of the City of Memphis that the long-term ground lease with the Hub of Memphis of Shelby County Tennessee on the above described property is hereby approved;

Be it further resolved, the City of Memphis Real Estate Department shall prepare and arrange for the execution of the ground lease and the Mayor of the City of Memphis is hereby authorized to execute said lease or any other documents necessary to complete the ground lease.
arising by operation of law and/or in connection with the delivery and provision of goods and services in connection with capital improvements to the Property (hereafter "Permitted Liens"). The Hub agrees to: (1) use its best efforts to obtain the release of all Permitted Liens in due course; and (2) indemnify and hold harmless the City from and against all Permitted Liens created or arising from the Hub's conduct upon the Property.

7. The City and the Hub agree that the relationship created by this Ground Lease shall be that of landlord and tenant, and not by any means or construction as that of principal and agent, employer and employee, or that of joint venturers or as partners.

8. The Hub shall not commence any work under this Agreement until it has obtained and caused its general contractor to procure and keep in force all insurance as required herein. The Hub shall furnish the Risk Manager a Certificate of Insurance and/or policies attested by a duly authorized representative of the insurance carrier evidencing that the insurance required hereunder is in effect. All insurance companies must be licensed in the state of Tennessee.

If any of the Insurance Requirements have lapsed at the expiration dates, the City may terminate any options noted herein.

The Hub shall indemnify, defend, save and hold harmless the City, its officers, employees, and agents, from and against any and all claims, demands, suits, actions, penalties, damages, settlements, costs, expenses, or other liabilities of any kind and character arising out of or in connection with the breach of this Ground Lease by the Hub, its employees, subcontractors, or agents, or any negligent act or omission of the Hub, its employees, subcontractors, or agents, which occurs pursuant to the performance of this Ground Lease, and this indemnification shall survive the expiration or earlier termination of this Ground Lease. The provisions of this paragraph shall not apply to any loss or damage caused solely by the acts, errors, or omissions of the City, its officers, employees and agents. The Hub shall be responsible for all injuries or damages of any kind to persons or property resulting from construction on the Property.

The following clauses shall apply to the insurance to be maintained by the Hub:
The Hub shall provide notice to the City within three (3) business days following receipt of any notice of cancellation or material change in the Hub's insurance policy from the Hub's insurer. Such notice shall be provided to the City by registered mail, to the following addresses:

Memphis, TN 38103

The additional insured endorsements shall be attached to the Certificate of Insurance and the Certificate of Insurance shall also state: "The additional insured endorsement is attached to the Certificate of Insurance."

The Hub is required to provide copies of the insurance policies upon request.

9. The Hub further agrees:

a. Not to sell, assign or sub-let the Property, or any part thereof, or in any other manner transfer any of its rights under this Ground Lease without prior written consent of the City;

b. To allow no nuisance to exist on the Property, and when required by the proper authorities, to abate all nuisances at its own expense, other than those nuisances, if any, existing on the Property as of August 1, 2020;

c. Suffer nothing to remain on or about the Property which will invalidate the insurance carried thereon by the Hub and/or City, unless first obtaining written consent from the City; and

d. Deliver the Property to the City at the end of the Term in as good condition as of the commencement date of this Ground Lease, ordinary wear and tear and proper use excepted.

Should any continuing nuisance be deemed to have arisen or existed on or before August 1, 2020, the City shall have no duty or obligation under this Ground Lease to correct such nuisance.
10. The Hub may, but shall not be required to, remove such personal improvements as the Hub has made but will be responsible for any damage resulting from removal of said improvements.

11. Neither the Hub nor City shall incur any personal responsibility for any damage by fire, earthquake, acts of God or the elements. However, this shall in no way act to relieve any insurance carrier from any contractual liability resulting from policies of insurance either party may acquire.

12. Except as may be required by and during the construction of any capital improvements and/or renovations to the Property, should the Property cease being used as a homeless shelter for any period, in excess of sixty (60) days, the Property shall revert to the City without the necessity of any other action at law. However, the Hub will have the right to remove items of personal property, and fixtures, placed by the Hub in and upon the Property; provided that the Hub shall bear the expense of repairing any damage resulting from the Hub's removal of such personal property, and fixtures.

13. This Lease, together with covenants, agreements, conditions and undertakings contained herein, shall inure to the benefit of, and extend to and bind all of the City's and the Hub's successors and assigns.

14. This Lease, together with any exhibits, schedules, annexes or the like attached hereto, is intended to be a completely integrated instrument, containing the entire agreement of the parties hereto, and superseding any prior agreement and understanding of the parties relating to the subject matter hereof. 18. Reformation and Severability: In case any provision of this Ground Lease shall be invalid, illegal or unenforceable, it shall, to the extent possible, be modified in such manner as to be valid, legal and enforceable but so as to most nearly retain the intent of the parties, and if such modification is not possible, such provision shall be severed from this Ground Lease, and in either case the validity, legality and enforceability of the remaining provisions of this Lease shall not in any way be affected or impaired thereby. A Resolution Authorizing a Pocket Park by extending the Temporary Partial Street Restriction of Mimosa Street at Highland Street for Twelve Months

Whereas, on October 19, 2019, the Memphis City Council approved a resolution with same night minutes to create a Pocket Park by authorizing temporary partial street restriction of Mimosa Street and Highland Street for a six-month pilot period; and

Whereas, the creation of this park was a neighborhood-led pilot project that added a "pocket park" to the High Point Terrace neighborhood, adjacent to the Greenline, that provided a magnet for Memphians to gather and recreate, improve traffic problems, and increase safety; and

Whereas, while offering the neighborhood a nice, family-friendly amenity, the pocket park, installed on the pavement with street restrictions and a pavement mural, also came with the added benefit of decreased traffic due to the limited access from Highland Street, which served as a high-speed, cut-through into the neighborhood – making the area safe for the residents; and

Whereas, the Memphis Fire Division and Public Works Division have vetted and approved plans that allow emergency and sanitation vehicles unhindered access to the neighborhood; and

Whereas, this community-led effort secured approval of the street closure and pilot project among 75 percent of homeowners or renters at addresses in the right-of-way on Mimosa between Highland Street and High Point Terrace along Aurora Circle and Wilkinson Place, and raised the necessary funds for closure and pocket park installation; and

WHEREAS, the six-month pilot for this pocket park demonstrated ways community members can work together to create innovative approaches to engage with neighbors, deter crime, provide amenities for children, and continue practicing social distancing for the duration of the pandemic; and

NOW, THEREFORE, BE IT RESOLVED BY THE MEMPHIS CITY COUNCIL that approval be granted to extend the temporary restriction of Mimosa Avenue at Highland Street for twelve months as necessary to continue this community-led effort of a pocket park.

BE IT FURTHER RESOLVED and understood by the Council, Administration and High Point Terrace neighborhood leaders that no vehicle, stand, platform, park equipment etc., shall be placed in the 16ft emergency lane so as to block the passage of emergency vehicles, and the placement of such items shall be in compliance with the City’s Fire Marshall regulations.
BE IT FURTHER RESOLVED and understood by the Council and Administration and the High Point Terrace neighborhood that a permanent, partial restriction must be approved by the Memphis City Council to extend this temporary partial restriction beyond the twelve-month period.

WHEREAS, upon occasion, the City Council approves the naming of specified public roads to honor those who have served this community, and the late **Reverend Dr. Steve Montgomery** is an impeccable example of such a stalwart pastor and progressive leader deserving of this City’s recognition and gratitude; and

WHEREAS, he grew up in Richmond, Virginia, driven by a passion for social justice, **Rev. Dr. Steve Montgomery** obtained his Master of Divinity from the Yale Divinity School, later receiving a Doctorate of Ministry from Columbia Theological Seminary and was ordained in 1980; and

WHEREAS, a nationally and internationally respected minister and author, **Rev. Dr. Steve Montgomery** dedicated his life to respecting and protecting the basic human rights of people of all creeds, colors and national and sexual identities; and

WHEREAS, **Rev. Dr. Steve Montgomery** served as the pastor at Idlewild Presbyterian Church for over 19 years as he led the congregation and the community with gratitude, respect and courage; and

WHEREAS, the untimely passing of **Reverend Dr. Steve Montgomery** leaves a significant void in our community and left to celebrate his life and his legacy, he leaves behind his wife, Patti; his children, Sumita and Aaron (AJ); his sister, Deedee Murphy; two brothers, David Montgomery and Jim Montgomery, other loving family members and a grateful community; and

WHEREAS, the Memphis City Council extends sincere condolences and memorializes the loss of **Reverend Dr. Steve Montgomery**, a great Memphian, dedicated community leader and a true visionary who pursued his work in service to the all citizens of Memphis.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF MEMPHIS, TENNESSEE that Union Avenue between South Belvedere Blvd and South McLean Blvd in Memphis, Tennessee be designated and always remembered as **“Reverend Dr. Steve Montgomery Street”**

BE IT FURTHER RESOLVED that the City Engineer is requested to affix suitable signs so designating such public road.

RESOLUTION OF THE MEMPHIS CITY COUNCIL IN OPPOSITION TO OPERATION LEGEND

WHEREAS, on December 18, 2019, Attorney General William P. Barr announced the establishment of Operation Relentless Pursuit, an initiative aimed at combating violent crime in seven United States (U.S.) cities via a surge in federal resources, i.e., federal agents complemented by mission-critical equipment and technology; and

WHEREAS, the City of Memphis was one of the seven cities selected under Operation Relentless Pursuit to experience the surge in federal agents complemented by mission-critical equipment and technology; and

WHEREAS, on May 11, 2020, the U.S. Department of Justice announced an award of $61M to support Operation Relentless Pursuit; and

WHEREAS, Fourteen days later, George Floyd, an unarmed African-American man, was murdered by law enforcement officers, triggering an international call for law enforcement reform on the local, state, and federal levels, alike; and

WHEREAS, present reform efforts overwhelmingly emphasize the need to improve relations between public safety officials and the general public, Operation Relentless Pursuit’s surge of federal agents into communities, despite those agents’ lack of history within said communities, creates outcomes that run counter to the progress sought by citizens seeking new solutions to long-standing law enforcement issues; and

WHEREAS, on July 8, 2020, Attorney General William P. Barr announced the establishment of Operation LeGend, an initiative aimed at combating violent crime in the same seven cities at the focus of Operation Relentless Pursuit, the City of Memphis included; and

WHEREAS, on August 4, 2020, the Memphis City Council voted to remove the question of residency from the November 2020 ballot, thereby furthering the stance that a key component to law enforcement reform involves residency policies that require public safety officials to live within the area that they are tasked with protecting and serving; and

WHEREAS, despite the motivations of Operation LeGend, the Memphis City Council believes it reasonable to question whether the appropriate response to citizens’ pleas to (1) accomplish local law enforcement reform via (2) improved relations with public safety officials, should be thwarted by an outside police presence, namely one that lacks transparency, and operates outside of the sole control of the City of Memphis Division of Police Services; and

WHEREAS, with reform in mind, the Memphis City Council stands firm in its belief that the continued militarization of local law enforcement is counterproductive to the long-term goal of improved community relations, and thus, improved community outcomes.

NOW THEREFORE BE IT FURTHER RESOLVED, the Memphis City Council is in opposition to Operation LeGend.
BE IT FURTHER RESOLVED, the Memphis City Council urges the Administration to decline to allow federal agents into the City of Memphis to police our fellow neighbors, friends, and families.
