MEMPHIS CITY COUNCIL CHAIRWOMAN

Jana Swearengen-Washington

A MESSAGE FROM THE CHAIRWOMAN

As we continue moving forward together, I remain deeply grateful for every opportunity to connect with the people and neighborhoods of District 4.

This season has been filled with meaningful conversations, community engagement, and intentional efforts to ensure that the voices of our residents remain at the center of the work we do.

From supporting local businesses and celebrating community partnerships to hosting conversations around public safety, I am continually reminded that the strength of Memphis lies in the people who show up, stay engaged, and remain committed to the progress of our city.

Thank you for your continued support, your trust, and your willingness to stay involved. There is still important work ahead, but I remain encouraged by the momentum we are building together — and I truly believe the best is yet to come.

Yours in service,

Jana Swearengen-Washington

MIKE EPPS “BULL THE BULLY”

Chairwoman Jana Swarengen-Washington was honored to attend and support the powerful anti-bullying event featuring comedian and actor Mike Epps, focused on encouraging our youth to choose discipline, confidence, and positive alternatives to violence.

This impactful gathering brought important attention to the need for mentorship, accountability, and safe spaces for young people to grow, thrive, and be heard. Events like this remind us that addressing bullying and youth violence requires not only conversation, but intentional community support and opportunities that empower our young people to channel their energy in healthy and productive ways.

Chairwoman Swarengen-Washington was proud to stand in support of an initiative that pours into the next generation and reinforces the message that our youth deserve encouragement, protection, and pathways toward success.

When we invest in our young people, we invest in a stronger and safer Memphis for all.

PUBLIC SAFETY TOWN HALL GLENVIEW COMMUNITY CENTER

Chairwoman Jana Swarengen-Washington was proud to host a Public Safety Town Hall Meeting at the Glenview Community Center, bringing together residents and City departments for an evening of meaningful conversation, transparency, and direct community engagement.

This town hall created an important opportunity for constituents to hear updates on MPD public safety initiatives and ongoing efforts to deter crime while also connecting directly with MLGW, Solid Waste, Public Works, Youth Services, and Community Enhancement. Residents were able to ask questions, share concerns, and receive information and resources in real time.

Thank you to all of the departments, community members, and partners who helped make this town hall a success. When we work together, we build stronger, safer neighborhoods for all.

MEET ME AFTER 5: MORNING EDITION

Our recent Meet Me After 5: Morning Edition at Just Love Coffee Café was an incredible success, and we are so grateful to everyone who came out to support this wonderful local business in the heart of Midtown Memphis.

It was a joy to gather with residents, community partners, and supporters over a delicious breakfast and a great cup of morning coffee while continuing our commitment to intentionally supporting local businesses. Just Love Coffee Café provided the perfect atmosphere for fellowship, conversation, and connection — exactly what Meet Me After 5 is all about.

From the warm hospitality to the inviting space and amazing menu, Just Love Coffee Café proved to be a true gem in our city. We are thankful to the owners and staff for welcoming us so graciously and for creating a place where community can gather, connect, and pour back into Memphis.

When we support local, we strengthen our neighborhoods — and this morning edition was a beautiful reminder that Memphis continues to thrive when we show up for one another.
