NEIGHBORHOOD PARTNERSHIP GRANT

PROGRAM PURPOSE

The primary purpose of the Neighborhood Partnership Grant (NPG) is to provide funding to nonprofit organizations for community and economic development activities that benefit the citizens. This grant is not meant to be the sole source of funding for an applicant's programs, projects or services. An important factor is the ability to leverage existing funds and/or provide seed funds for capacity building and program implementation.

SOURCE OF FUNDS

NPG is funded annually from the City of Memphis General Fund.

DESCRIPTION OF NEIGHBORHOOD PARTNERSHIP GRANT CATEGORIES

Business and Economic Development

Funds may be used to support business and economic development programs designed to increase the standard of living, create or retain of jobs or that increase wealth within the community through the enhancement and introduction of new businesses or opportunities that generate commerce. **Examples:** *Workforce Development/Job Training programs for low-to-moderate income persons. Small, minority and women-owned business enterprise development programs that offer technical assistance, counseling, etc.*

Community Initiatives

Funds may be used to support community initiatives aimed to address social problems, such as teen pregnancy, increasing income, developing assets, such as housing stock, and creating social services. These programs can also include social, educational, economic, physical, and cultural activities designed for community building that strengthens the capacity of neighborhood residents, associations, and institutions. Most programs in this category are short-term in nature and will have a positive impact on the community. **Examples:** *Community events, clean-ups, housing, green initiatives, park improvements, housing activities, etc.*

Community Development

Funds may be used to support community development activities that seek to empower people/groups by providing activities that will enhance the skills needed to affect change in their community/neighborhood. Community Development programs are activities considered longer-term and will play a vital role in creating a 'sustainable neighborhood' of choice. *Examples: Financial literacy classes for homeownership (supports CHDOs), neighborhood organization capacity building, computer literacy classes, self-sufficiency classes, drug/alcohol treatment, programs catered to 'at-risk youth etc.)*
