The City of Memphis Division of Public Works Request for Qualifications For Grass Mitigation Services

Summary of Request

The City of Memphis, through the Division of Public Works, is seeking qualified grass mitigation contractors to mow privately owned lots and certain specified right of ways as needed by the City, including emergency grass cutting where necessary. At the present time, the City of Memphis desires to solicit certified licensed grass contractors. The City intends to select an unspecified number of contractors and enter into one-year contractual agreements with the selected contractors who will provide grass mitigation services for the City of Memphis. The City of Memphis may extend the contract for additional years based upon performance, need and/or funding availability.

The City will set the compensation rate for the grass mitigation based upon a predetermined amount and the selected contractors will be paid according to the rate set. The rates will be paid hourly based upon the type of lot expected to be mitigated. Each selected contractor will be used to mow the grass based upon a rotational system as established and implemented by the City. The City will determine which group of Selected Contractors will be best suited for the different grass mitigation demands. The City will not guarantee a minimum number of lots to mitigate during the term of the contract and at its discretion will pull from the pool of contractors as the need arises. The City expects to cover thousands of lots during the term of the contract.

In the event of such termination, Contractor shall be entitled to receive just and equitable compensation for any satisfactory work performed up to the termination date. Such termination by City shall not be deemed a breach of contract by City, and Contractor shall have no right to any actual, general, specific, incidental, consequential, or any other damages whatsoever of any description or amount that have not been earned as of the date of termination.

SUCCESSORS. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.

SURVIVAL. The parties hereto acknowledge that provisions that require or contemplate performance or observance after expiration or termination of this Agreement shall survive the expiration or termination of this Agreement and continue in full force and effect.

TERMINATION: Termination of this Agreement with or without cause.

1. It shall be cause for the immediate termination of this Agreement if, after its execution, City determines that either:
 - a. Contractor or any of its principals, partners or corporate officers, if a corporation, including the corporation itself, has pleaded *nolo contendere*, or has pleaded or been found guilty of a criminal violation, whether state or federal, involving, but not limited to, governmental sales or purchases, including but not limited to the rigging of bids, price fixing, misappropriation of government funds, or any other collusive and illegal activity pertaining to bidding and governmental contracting; or
 - b. Contractor subcontracted, assigned, delegated, or transferred its rights, obligations or interests, voluntarily or involuntarily, under this Agreement without City's consent or approval; or
 - c. Contractor has filed for bankruptcy, has been adjudicated bankrupt, become insolvent or made an assignment for the benefit of creditors, or a receiver or similar officer is appointed to take charge of all or part of Contractor's assets.
2. City may cancel/terminate this Agreement, in whole or in part, upon providing written notice to Contractor of City's intention to terminate the Agreement as a result of Contractor's failure to provide the goods and/or services specified under this Agreement or in violation(s) of any of the terms herein, and Contractor has failed to cure such breach within ten (10) calendar days of such notice. City may reject the goods and/or services and cancel this Agreement for any goods/services rendered or to be rendered hereunder. At its option, City may return the rejected portion of such goods to Contractor at its expense or hold the same for such disposal as Contractor shall indicate. In the event of any such rejection/termination, City shall, at City's option, have the right to obtain like goods and/or services elsewhere or to take over the work and prosecute the same to completion, both at Contractor's expense; and in such event, City may take possession of and utilize in completing the work, such materials, appliances, etc. as may be on the site of the work and necessary therefore. Contractor shall be liable to City for any loss, damage, or additional cost incurred thereby, including but not limited to any difference between the cost for procuring such like services and the price specified herein,

attorneys' fees and court costs.

3. Notwithstanding the foregoing or any section herein to the contrary, Contractor shall not be relieved of liability to City for damages sustained by City by virtue of any breach of the Agreement by Contractor, and City may withhold any payments to Contractor, for the purpose of setoff, until such time as the exact amount of damages due City from Contractor is determined.
4. City may, in its sole discretion, suspend and/or terminate this Agreement for convenience upon giving thirty (30) calendar days' prior written notice to Contractor. In the event a purported termination for cause by City is in error, then such termination may, at City's sole discretion, be deemed to be a termination for convenience under this section. In the event of such termination, Contractor shall be entitled to receive just and equitable compensation, as determined by City, for any satisfactory authorized work performed in accordance with the Agreement up to the termination date; but in no event shall City be liable to Contractor for expenses incurred after the termination date.
5. Contractor shall deliver to City all hard copy and electronic files maintained on behalf of City within thirty (30) calendar days of termination of this Agreement. Upon reasonable request, City reserves the right to obtain such information prior to the termination of this Agreement.
6. All goods accepted by City or services completed by Contractor prior to the termination date shall be documented and all tangible work documents shall be transferred to City prior to payment for services rendered, and shall become the sole property of City. Such termination by City shall not be deemed a breach of contract by City, and Contractor shall not be compensated for any anticipatory profits, or other damages of any description, that have not been earned as of the date of termination.

TERMINATION OF PRIOR AGREEMENTS. See **ENTIRE AGREEMENT**.

THIRD PARTY BENEFICIARY: This Agreement is entered into solely between, and may be enforced only by, City and Contractor. Unless otherwise specified herein, this Agreement shall not be deemed to create any rights in third parties, including suppliers or customers of either party.

TITLE & RISK. (This paragraph/section is applicable only to purchase of goods contracts). The title and risk of loss of any goods hereunder shall not pass to City until City actually receives and takes possession of the goods at the point or points of delivery. Contractor shall assume all liability and responsibility for delivery of such goods in good condition to City.

TRANSFER. See **ASSIGNMENT**.

TRANSPORTATION CHARGES/F.O.B. DELIVERY. (This paragraph/section is applicable only to purchase of goods contracts). All pricing is F.O.B. destination, in which Contractor shall be responsible for freight, transportation costs, and all incidental charges, unless delivery terms are specified otherwise in the bid and agreed to by City. In the event shipping other than F.O.B destination is allowed by City, City agrees to reimburse Contractor for transportation costs in the amount specified in Contractor's bid, or actual costs, whichever is lower, provided City shall have the right to designate what method of transportation shall be used to ship the goods.

WAIVER OF CONTRACTUAL RIGHT. No term or provision of this Agreement, or of any document executed pursuant hereto, shall be held to be waived, modified or deleted unless in writing and executed by

the parties hereto; provided that any such waiver shall not be identified as a waiver of any succeeding breach hereto or of any other provision herein contained. No delay or failure of either to enforce any right or provision of this Agreement or in any document executed pursuant hereto shall operate as a waiver, limitation, or relinquishment of that party(s) right to subsequently enforce and compel strict compliance with such provision and/or any other provision herein or in any document related hereto. Parties acknowledge that some Agreement provisions may be inapplicable to the scope of work or goods that are germane to this Agreement. Parties waive no rights or remedies where the provisions are applicable.

No consent or waiver, express or implied, by either party to or of any breach or default by the other in the performance of any of its obligations shall be deemed or construed to be a consent or waiver to or of any other breach or default by such party. Failure on the part of either party to complain of any act or failure to act of the other party or to declare the other party in default, irrespective of how long such failure continues, shall not constitute a waiver of the rights of such party.

The enforcement by any party of any right or remedy it may have under this Agreement or applicable law shall not be deemed an election of remedies or otherwise prevent such party from enforcement of one or more other remedies at any time.

WARRANTY. Contractor warrants to City that all goods/services shall be free from defects in design and faulty or improper materials and/or workmanship, shall be in strict compliance with the terms of this Agreement and shall be fit and sufficient for the purpose intended or shall have met the particular specification of the solicitation or the accepted Contractor response relating to this Agreement.
